Sir :

On October 9, 2001, Applicants filed an Information Disclosure Statement in the above-captioned matter. In the Information Disclosure Statement, U.S. Patent No. 5,603,031; a printout of a Web Site entitled "Structure of a UTM application", Concepts and Functions, Chapter 5, paragraph 3, page 67; a printout of a Web Site entitled "System-internal procedures", Performance Handbook, Chapter 5.3.1: Managing the resource main memory, published February, 1997; WO 9735262; and an article entitled "Agent Design Patterns: Elements of Agent Application Design", by ARIDOR et al., which had all been cited in an International Search Report were brought to the Examiner's attention, copies thereof were provided to the Examiner, and a Form PTO-1449 was also provided.

To complete the record regarding the above-identified documents, attached are copies of International Preliminary Examination Reports dated June 24, 2003 and July 24, 2003 listing the above documents therein.

P21103.A07

Should the Examiner have any questions, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
Teow Hin NGAIR et al.
